The City of Lincoln reserves the right to adjust the quantities for the base bid items and the alternate additional quantities by $\pm 20\%$. If the quantities are reduced or increased, the unit bid price will not change.

The funding for the additional quantities in Alternate No. 1 is tied to a grant which the City has applied for.

It is not known at this time if the funding will be available. The status of the grant and the funding will be known before the contract is awarded.

The Base Bid Items include segments 1, 2, and 4 as shown on Sheet 4 of the plans in Appendix 2.

The Alternate No. 1 Additional Quantities include segment 3 as shown on Sheet 4 of the plans in Appendix 2.
